

BIOGRAPHY

- Designing. Engineering. CAD modeling. Drawing. That's my kind of thing!
- Complex 3D geometry and intricate curved surfaces? Bring them on.
- Sometimes, I sleep in my kayak.

**I LIKE TO MAKE GREAT DESIGNS,
NO MATTER WHAT
FIELD I'M WORKING IN.**

INFORMATION

Date of birth: N/A for web version
Place of residence: Belgrade, Serbia
Nationality: Serbian
Driving license: B

EDUCATION

2005 ● Faculty of Applied Arts
Department of Industrial Design
University of Arts
Belgrade, Serbia
Master's degree in Industrial Design

1998 ● Gymnasium High School
Department for Natural Sciences and Mathematics
